Rent a Runway Look

Don't have a star's bank account or a stylist on speed dial? You can still sport the runway's latest looks for a fraction of the price thanks to two stylish sites. Rent the same Christian Cota dress that **Leighton Meester** rocked at the MTV VMAs for a tenth of its retail cost on [Renttherunway.com](#), which also offers designer dresses from Proenza Schouler and Catherine Malandrino for as low as \$50. For accessories, head to [Avelle.com](#) (formerly [BagBorroworSteal.com](#)) where you can borrow a fabulous Judith Leiber clutch for \$43 a week.
