The words "rent the runway" are music to my ears. It's the ideal situation for a gal on a budget — falling in love with a [catwalk look](#), borrowing it for a day, then returning it to its rightful owner. Now I can do that with [Rent the Runway](#). Dying to begin? First [sign up](#) to be added to the wait list. Once you're in, peruse its A-list selection ([Proenza Schouler](#), [Matthew Williamson](#), [Yigal Azrouel](#)), get the dress in two different sizes, wear it, keep it for four or eight days, and send it back in a prepaid package without dry cleaning it. Trust me, there's some good stuff in there, and the prices don't sting (\$50 to \$200). Perfect for that holiday wedding or office party!
